- STREAT MOTORS offer Major and Minor services for your vehicle to meet the various needs of motorists.
- All servicing at STREAT MOTORS are carried out by fully trained technicians using only parts that match the quality of the manufacturer's original equipment. We will Stamp your service logbook too, to ensure that your vehicle's service history is maintained.
- Most car owners service their car every year or 12,000 miles - whichever comes sooner. Servicing proactively maintains your car, reducing the risk of a breakdown and help maintain your car's value.
